

Message from the Chief's Office

As we continue to keep the health and safety of our members and community in mind, the Nesconset Fire Department has taken the necessary precautions in preparing our trucks for the Annual Holiday Santa Parade. In addition to limiting the amount of people on each vehicle we have added scheduled stops along the parade route.

Please practice Social Distancing
at the scheduled stops so that that
everyone could enjoy!

So sit back, relax and enjoy the parade!
