Academic/Community Service Awards Ceremony **-Community Service Recognition**

Sagamore Community,

We would like to recognize students who are committed to improving our community and providing support to those in need. We want to recognize students who have met the community service criteria outlined below. The number of hours for recognition has been reduced in recent years due to the circumstances with COVID protocols.

Criteria

- Students will have to have completed 30 or more hours of community service after July 1, 2021.
- Each activity should have a signature of the adult who oversaw the community service activity. This adult should not be a parent or relative of the student. The person signing must provide a description of their connection to the activity.
- Contact Dr. Galligan if there are extenuating circumstances related to the above criteria.
- The forms need to be delivered to the AP office or scanned and emailed to Dr. Galligan at jgalligan@sachem.edu by the end of the day on Friday, May 20.

We are proud of the commitment of our students to community service causes. We look forward to recognizing the students who have met the outlined criteria during our Academic/Service Awards ceremonies.

Sincerely,

Frank Panasci
