FROM: School Nurse

RE: School Physicals

New York State Law requires that all children in Kindergarten, Grades 1, 3, 5, and new students receive a physical examination during the school year. It is preferable to have this exam performed by your family physician who is familiar with your child's history and can give any immunizations which may be due.

Please have your family physician fill out the physical form and then return this to school by December 31<sup>st</sup>, 2023. If your child has a set appointment date, please let me know. If your child is unable to be seen by your family physician, they may be examined by our school physician at a later date.

For further information, you may contact me at (631) 471-1820, ext 1.

Thank you for your cooperation.

Sincerely,

Jolly Itty, R.N.

School Nurse
