**Risk Acknowledgement and Permission:**  
 I give permission for \_\_\_\_\_ to participate in any sports for which the examining physician or school nurse have determined there are no disqualifying conditions. I fully understand that my child may not participate in any practice, scrimmage, or contest without proper clearance. Further, I acknowledge that with participation in interscholastic athletics comes the risk of injury. These risks vary from sport to sport and can range from minor to catastrophic in nature. In addition, I also recognize that there are risks involved with team travel to contest sites at opposing school facilities. I give permission for my child to undergo a medical examination by district approved physicians. If I choose to have the examination performed by a family physician, then I agree to have the information completed on the appropriate school forms. I also agree that in some cases, district appointed physicians shall have the right to review the information provided my family physicians and retain the right of final approval. I clearly understand that the questions are asked in order to decide if this student is in proper condition to participate sports named at the top of this form. The answers are correct as of the date this form is signed. All answer will be kept confidential in his/her record in the school health office. I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct.
