Travel (2016 & Older)

Recreational (2015 & 2016)

Interleague (2011—2014)

For more program information visit [www.sysl.org](http://www.sysl.org)

The Sachem Slammers also offers Spring Clinics for both Speed & Agility, and Goalie Training. Clinic information will be shared through the league by email (if already participating) and social media as we approach dates/times.

The Sachem Slammers want to develop and prepare players for the future, both on and off the field. Equally, if not more importantly, we want to reinforce non-soccer specific skills such as communication, teamwork, time management, responsibility, discipline, and respect for ALL players.

Questions can be asked by reaching out to us through social media and/or emailing our Board of Directors found at <https://www.sysl.org/board-of-directors/>
